MPO SERIES CONCERT 3

THE MPO RETURNS TO SPAZJU KREATTIV TO PRESENT A LIVE CHAMBER CONCERT.

Opus 7 served to establish Krommer's name and reputation around Europe and become one of the most successful composers of the turn of the 18th century. Both quartets were originally written for string quartet, a genre with which the composer was closely associated, alongside Haydn.

The flute joins the ensemble for the quintet by Süssmayr, a composer remembered for completing Mozart's Requiem.
